# Who Are We?

## Changing up the world one piece of garbage at a time

PickWaste picks up litter for one our once a week, but our efforts to change the world do not stop there. In a nutshell, we have 3 main tasks: voluntary cleanups , presentations/speaking, and Corporate Social Responsibility events. We educate, inspire and provide people with tangible actions that they can implement in their personal lives to make a real, lasting change.

*"To Protect and Conserve for present and future generations"*

# Impact

**PickWaste** has done and continues to do a lot for our community. We began cleaning up on July 1st, 2017 and have met faithfully since then for another **47 clean ups**.

## Presentation

During their passionate presentation Sam and Dillon talk about:

- Their personal life stories of overcoming **adversity** and finding their **passion**
- The connection between **human health** and the condition of the **environment**
- The theory of **small consistent actions**, and how anyone can begin changing the world
- Tangible actions that everyone can take to reduce their **environmental footprint**
- Current issues that are facing our world today, and the enormous potential of today's youth for solving these issues

Each presentation ranges from **30-60 minutes**, however we are flexible and can definitely adjust to meet your needs.

## Pricing

For all speaking engagement we engage in, we charge a fee. The money supports our three cleanup crews, and all the administrative fees that we endure throughout the year. All money is placed back into growing the initiative. Please contact us for pricing details that fit your needs.

# Feedback

“Sam and Dillon spoke with such passion at my annual gala! They shared the PickWaste story, as well as broke down complex environmental issues into ways we could understand. They gave such an authentic witness when they spoke in front of 100+ change makers! I received incredible response from the attendees of my event! I would without a doubt invite them to speak at any of my future events!”

- **Sultan Akif Founder and CEO of Library in a week**

“This grassroots movement continues to grow rapidly, gaining momentum over the last year due to the significant outreach efforts of these young men, inspiring public and industry support through its moral appeal to protect the environment. Thank you for your commitment ... I look forward to the continued growth and success of PickWaste.”

- **Daniel Kostopolous City Manager of Vaughan**

“PickWaste is motivating communities to make a conscious decision to take responsibility for our environment through our daily actions. Their movement is connecting people and inspiring change.”

- **John Henry Mayor of Oshawa**

“PickWaste is empowering youth to protect and conserve our community for present and future generations. Their mission is truly inspiring, and together we are creating a stronger community and more promising future.”

- **Dave Ryan Mayor of Pickering**

“

To **spread awareness** about the pollution solution through education, and **empowering individuals** by using the theory of committing to **small consistent actions**.
